# Todd's Tips For Inspiring Writers

1. The idea. Your book can be about anything. A friend, a pet, someone in your family, feelings, or favorite food. Think about ways to make your idea uniquely different.
2. Find a medium and genre that you feel comfortable with -- Paper and markers, paint, pencils, the computer, and any other means you like.
3. Create a "creative" space. Surround yourself with things that inspire you and make you feel good.
4. If you get stuck, take some time away and eat some mac and cheese.
5. Listen to music.
6. Keep it simple. Don't overthink your idea.
7. Work at your own pace.
8. Ask for help if you need it.
9. Be confident!
10. Have fun!

The End,  
Love,  
Todd
